

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions and listings of claims in the application:

Listing of Claims:

1. **(Currently Amended)** Cosmetic compositions comprising ~~inter alia small~~ (a) nano-magnetic particles which have a magnetic field and which are configured to be topically administrated on skin; and (b) a member selected from Dead Sea salts, Dead Sea minerals, and mixtures thereof.
2. (Previously Presented) The cosmetic compositions according to claim 1, wherein the magnetic particles are obtained from salts of the Dead Sea.
3. (Previously Presented) The cosmetic compositions according to claim 1, wherein the magnetic particles are selected from iron, Fe_2O_3 , strontium hexaferrite or any other ferromagnetic element or compound.
4. (Original) The cosmetic compositions according to claim 1, wherein the magnetic particles are selected from nickel, cobalt, neodymium, samarium or any mixture thereof.
5. (Previously Presented) The cosmetic compositions according to claim 1, wherein the magnetic particles are included in creams, gels, lotions, masks, ointments, emulsions, foams, soaps, shampoos, bath salts or aromatic oils.
6. **(Currently amended)** The cosmetic compositions according to claim 1, in the form selected from at least one of the groups selected from Dead Sea bath salts; Dead Sea mineral mud; hydrophilic gels; lipophilic gels; protective dermatological ointments; ointments in water-in-oil (W/O) emulsions; dermatological anhydrous pastes; dermatological tinctures; nourishing face creams; nourishing face cream in W/O emulsions; ~~moisturizing face creams; moisturizing face~~

creams; moisturizing face cream in W/O emulsions; moisturizing face gels; hair and scalp conditioning mask or scalp treatment shampoos.

7. (Previously Presented) The cosmetic compositions according to claim 1, wherein the magnetic particles are one of solubilized, dispersed or suspended in waterborne or solvent-base emulsions, solutions or any combination thereof.

8. (**Currently amended**) The cosmetic compositions according to claim 1, additionally comprising additives, selected from antioxidants, vitamins, medically active agents, chemotherapeutic agents, radio therapeutic agents, humidifiers, biocides, pigments, smell agents, odorants, colorants, W-absorbents, UV blockage agents, polymers, thickeners, co-solvents, emulsifiers, surfactants or vegetable extracts.

9. (**Currently amended**) The cosmetic compositions according to claim 1, wherein the magnetic particles are suspended in ~~polyalyle~~polyalkyl siloxane.

10. (Cancelled)

11. (**Currently amended**) The cosmetic compositions according to claim ~~[[10]]~~ 1, wherein the nano-magnetic particles range from 2 to 20 nm in maximum diameter.

12. (**Currently amended**) The cosmetic compositions according to claim ~~[[10]]~~ 1, wherein the nano-magnetic particles range from 20 to 200 nm in diameter.

13. (Previously Presented) The cosmetic compositions according to claim 1, wherein the magnetic particles are included in an article selected from an anti-aging magnetic head/neck wrap or an anti-aging facial mask.

14. (Previously Presented) The cosmetic compositions according to claim 1, wherein the magnetic particles are included in at least one of an external layer of bandages, dressings, compresses or wraps, which are so configured to constantly approach and be in an intimate

contact with the skin.

15. (New) The cosmetic compositions according to claim 1, wherein said Dead Sea minerals comprise Dead Sea mineral mud.
